Estonian Ministry of Culture:

- Within the Estonian Government, the Ministry of Culture is responsible for organizing and coordinating state cultural policy.
- The mission of the Ministry of Culture is to support the maintaining of the Estonian national identity by valuing, preserving, developing, acknowledging and spreading Estonian fine arts, cultural heritage and sport in Estonia and abroad supporting both the professional and amateur activities in creativity and sport.

- Estonian Ministry of Culture also co-ordinates cultural heritage digitisation in Estonia.

- Ministry of Culture has participated in MinervaPLUS, MinervaEC and MICHAEL Plus projects and currently is participating in ATHENA, CARARE, DC-NET and Linked Heritage projects.

Thank you!
